Appendix: IZ Neutraal

IZ Neutraal appears 3 times a year as an appendix (see above: publication dates and specials). This special issue contains information about (almost) energy-neutral installations. Providers of (almost) energy-neutral products can add an editorial, accompanied by an advertisement. The prices are as follows:

1/1 page editorial incl. 1/1 page advertisement	1.435
1/2 page editorial incl. 1/2 page advertisement	795

We try to fulfill as much as possible all your wishes concerning your advertisement. However, a 10% surcharge applies to guaranteed preferential placements.

All prices in euro's and excl. VAT. All mentioned discounts are including 15% of gross billing for recognized advertising agencies
